## Block 02

### Cutaneous B-Cell Lymphomas

Moderator: Elizabeth Arrieta Lopez, MD, Hematologist-Oncologist  
(Fundación Valle del Lili, Cali, Valle del Cauca, Colombia)

Victor Hugo García, MD, Dermatologist-Oncologist (Clínica Imbanaco,  
Valle del Cauca, Colombia)

|      |       |       |                                                                                                                                                                                                                                                                                                                                                                        |

## Friday, July 31st, 2026

1:00 13:00 14:00 **LUNCH – SATELLITE SYMPOSIUM 2 SPONSORED BY BAGÓ COLOMBIA LABORATORIES**  
**Use of bexarotene in CTCL: A theoretical and practical approach from the Argentine experience.**  
Speaker: Dr. Paula Enz (Argentina)

### Block 03

**Epidemiology, Regional Experiences, and Global Registries. Therapies for Early-Stage Disease** Moderator: Alana von Glasenapp MD Hematologist (Hospital Central IPS, Hematocenter, Paraguay)  
Maria Alejandra Torres Viera, MD, Hematologist (Presidente Gell, Caracas, Venezuela)

0:35 14:00 14:35 **Epidemiology of Cutaneous Lymphomas – The PROCLIPI Experience Global and Latin American Registry Initiatives**  
Alejandro Gru, MD, Dermatologic Oncologist (Columbia University, New York, USA)

0:25 14:35 15:00 **The Peruvian Experience: Atlas of Cutaneous Lymphomas**  
Brady Beltrán, MD, Hematologist-Oncologist (Hospital Edgardo Rebagliati Martins, Lima, Peru)

0:25 15:00 15:25 **The Argentine Experience**  
Paula Enz, MD, Dermatologic Oncologist (Hospital Italiano de Buenos Aires, Buenos Aires, Argentina)

0:35 15:25 16:00 **Expert Panel: Future Directions and Collaborative Initiatives for Latin America**  
Alejandro Gru, MD; Brady Beltrán, MD; Paula Enz, MD; Alfredo Quiroz, MD

0:30 16:00 16:30 **Break – Exhibition Hall Visit**

With the support of:

**Friday, July 31st, 2026**

**Block 04**

**Therapies for Early-Stage Cutaneous T-Cell Lymphomas**

Moderator: Lina González, MD, Dermatologic Oncologist  
(INC, Bogotá, Colombia)

|      |       |       |                                                                                                                                                                                                                                                                                                                        |

With the support of:

## Saturday, August 1st

1:00 7:00 8:00

### Breakfast – Satellite Symposium 3 Sponsored by Takeda

**CD30 as a therapeutic target in cutaneous T-cell lymphomas:  
current evidence and clinical practice applications**

Speaker: Dr. Marta Zerga

## Block 05

### Therapies for Advanced-Stage Cutaneous T-Cell Lymphomas

Moderator: Henry Idrobo Q., MD, Hematologist-Oncologist

(Clínica Central del Eje, Pereira, Risaralda, Colombia)

Jose Sandoval Sus. MD Hematologist-Oncologist (Moffitt MHC at Memorial  
Healthcare System, Pembroke Pines FL US)

Rolando Humberto Martinez-Cordero, MD, MSc, Hematologist  
(INC-HMC, Bogotá, Colombia)

### Treatment for T-cell lymphoma:

0:30 8:00 8:30

### Conventional Therapies vs. Targeted Therapies: Is There a Role for Chemotherapy in Cutaneous T-Cell Lymphomas? Interactive “Pro vs. Con” Discussion.

In favor: Prof. Luis Malpica, MD, Hematologist-Oncologist (MD Anderson  
Cancer Center, Houston, TX, USA)

Opposing view: Prof. Francine Foss, MD, Hematologist-Oncologist (Yale, New  
Haven, Connecticut, USA)

0:30 8:30 9:00

### Role of Antifolates in Cutaneous T-Cell Lymphomas

Juan Alejandro Ospina I., MD, MSc, Hematologist (INC, Bogotá, Colombia)

0:30 9:00 9:30

### HDAC Inhibitors and Hypomethylating Therapies for Cutaneous T-Cell Lymphomas

Prof. Francine Foss, MD, Hematologist-Oncologist (Yale, New Haven, Connecticut, USA)

0:30 9:30 10:00

### Expert Panel: Recommendations for Therapies in Advanced Tumor-Stage Cutaneous T-Cell Lymphomas

Francine Foss, MD; Luis Malpica, MD; Juan Alejandro Ospina, MD; Henry Idrobo, MD

0:30 10:00 10:30

### Break – Exhibition Hall Visit

### Treatment of Erythrodermic T-Cell Lymphomas

0:30 10:30 11:00

### Medical Treatments for Erythrodermic T-Cell Lymphomas: Role of Monoclonal Antibodies

Prof. Luis Malpica, MD, Hematologist-Oncologist (MD Anderson Cancer Center,  
Houston, TX, USA)

With the support of:

## Saturday, August 1st

0:30 11:00 11:30 **Extracorporeal Photopheresis for Erythrodermic T-Cell Lymphomas**  
Paula Enz, MD, Dermatologist-Oncologist (Hospital Italiano, Buenos Aires, Argentina)  
- Juan Alejandro Ospina I., MD, MSc, Hematologist (INC, Bogotá, Colombia)

### Block 06

#### Transplantation and Cellular Therapies: Future Perspectives

Moderator: Virginia Abello P., MD, Hematologist (CTIC, Bogotá, Colombia)  
Rolando Humberto Martinez-Cordero, MD, MSc, Hematologist (INC-HMC, Bogotá, Colombia)

0:30 11:30 12:00 **Allogeneic Transplantation for Cutaneous T-Cell Lymphomas**  
Alberto Mario Pereira Garzón, MD, Hematologist (INC, Bogotá, Colombia)

0:30 12:00 12:30 **Advanced Cellular Therapies for Cutaneous T-Cell Lymphomas**  
Januario Castro, MD (LCMC, New Orleans, Louisiana, USA)

0:30 12:30 13:00 **Cutaneous involvement in acute forms of HTLV-associated adult T-cell leukemia/lymphoma**  
Prof Juan Carlos Ramos MD Hematologist (Professor in Department of Medicine and Microbiology & Immunology, University of Miami, Sylvester Comprehensive Cancer Center)

1:00 13:00 14:00 **LUNCH – SATELLITE SYMPOSIUM 4 SPONSORED BY LESCHCO MEDICAL**  
**Real-world experience with FEC in LCCT: Lessons from clinical practice and global experience**

0:30 14:00 14:30 **Research Prospects in Latin America from 2026 at CTCL**  
Prof. Luis Malpica, MD, Hematologist-Oncologist (MD Anderson Cancer Center, Houston, TX, USA)

0:30 14:30 15:00 **Closing Ceremony**  
Prof. Xavier Rueda Cadena, MD, Dermatologist-Oncologist (INC, Bogotá, Colombia)  
Henry Idrobo Q., MD, Hematologist-Oncologist (Clínica Central del Eje, Pereira, Risaralda, Colombia)  
Luis Malpica, MD, Hematologist-Oncologist (MDACC, Houston, TX, USA)  
Juan Alejandro Ospina I., MD, MSc, Hematologist (INC, Bogotá, Colombia)
